# Installation

This manual describes how to install the Quadrox Codec Pack on your PC. If you don't have the Quadrox Codec Pack in your possession, you can download it at:

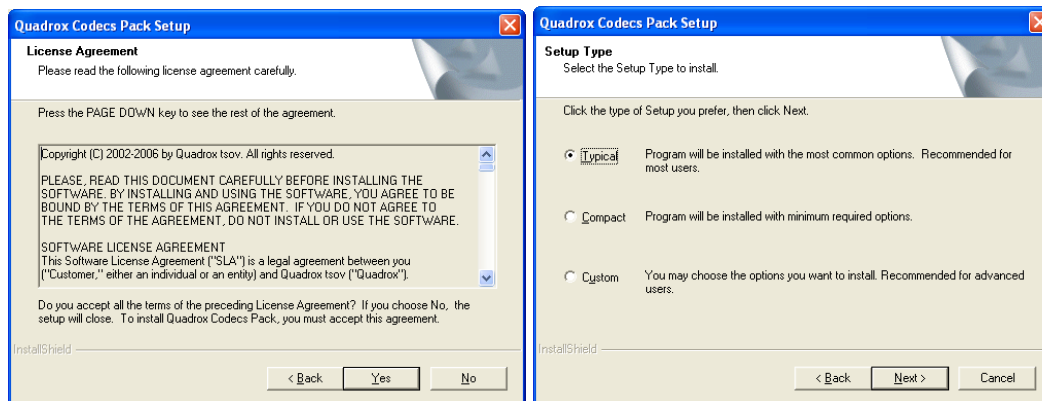

<http://www.quadrox.com/tools.aspx>

After having downloaded the Quadrox Codec Pack Setup, please follow next steps.

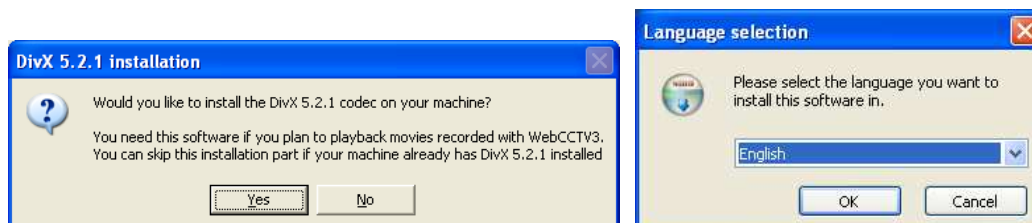

1. Double click on **QuadroxCodecsPackSetup-x.x.x.x** which you have downloaded and click **Run**. Click **Next**.

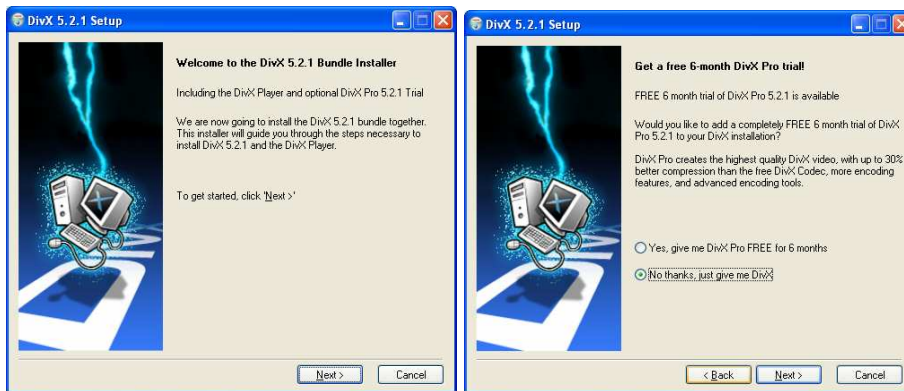

2. Click **Yes**, select **Typical** and click **Next**.

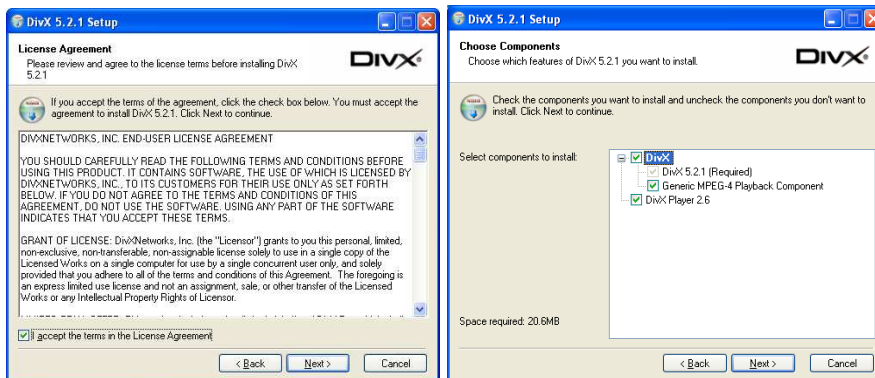

3. Click **Yes**, select language **English** and click **OK**.

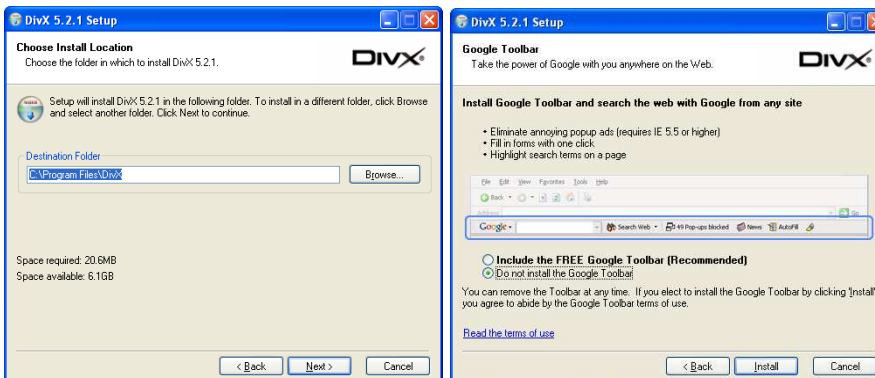

4. Click **Next**, select **No thanks, just give me DivX** and click **Next**.

5. Check **I accept the terms in the License Agreement** and click **Next**. Don't change anything and click on "Next".

6. Click **Next**. Check **Do not install the Google Toolbar** and click **Install**.

7. Click **Next**, click **Close** and click **Finish**.
